NARRATIVE:

Divens has an extensive adult criminal history that began at the age of 22. His convictions include battery, grand theft of person, assault on a peace officer, trespassing, possession of a narcotic controlled substance, transporting/selling controlled substances, numerous other drug related charges, vehicle theft, failure to appear, vandalism, violation of parole, resisting a peace officer and failing to report. He has served multiple state prison terms the longest a 6 year term for assault on a peace officer. Divens was released from state prison to the supervision of the Los Angeles County Probation Department on July 15, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2014 after he absconded from post release community supervision (PRCS). Divens qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for resisting a peace officer is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
